

SEMINAR APPROVAL CRITERIA FOR CONTINUING
EDUCATION
(As of 6/7/01)

Continuing Education:

The Board Member assigned to review seminars shall approve only those courses which:

- (a) are sponsored by a Louisiana state chiropractic association or a college or university accredited by C.C.E.,
- (b) are taught by persons on the graduate or postgraduate faculty of an accredited college or university, and
- (c) build upon the basic courses required for the practice of chiropractic.

The Board may make exceptions if the Board feels the speaker's credentials and/or the program content are of such a nature as to warrant the approval of the presentation.
