

DECLARATORY STATEMENT 1994-01

The Louisiana Board of Chiropractic Examiners makes the following
Declaratory Statement pursuant to its authority under LAC 46:XXVII.507:

It is the opinion of the Board that under LA R.S. 37:2801(3), which
defines the scope of chiropractic, that

“ ‘Surface EMG’s’ are experimental and that the clinical value has not
been established.”

Adopted this 28th day of January, 1994, by the Louisiana Board of
Chiropractic Examiners.

John W. Booth, D.C., President

(seal)

PLEASE NOTE – This statement was rescinded 06/12/2008.
