

DECLARATORY STATEMENT 2010-01

The Louisiana Board of Chiropractic Examiners makes the following Declaratory Statement pursuant to its authority under LAC 46:XXVII.507:

It is the opinion of the Board that under LA R.S. 37:2801(3), which defines the scope of chiropractic, that

“a licensed chiropractor may order, receive, read and/or and interpret reports on the following tests:

1. Laboratory tests;
2. Imaging procedures to include
 - a. computerized axial tomography (CT scans),
 - b. magnetic resonance imaging
3. Nerve conduction studies.

Adopted this 28th day of January, 2010, by the Louisiana Board of Chiropractic Examiners.
