

DECLARATORY STATEMENT 2020-01

The Louisiana Board of Chiropractic Examiners makes the following Declaratory Statement pursuant to its authority under LAC 46:XXVII.507:

“It is the opinion of the Board under LA R.S. 37:2801 (3) (A), which defines the scope of chiropractic that, "a chiropractic physician may delegate the teaching and supervision of exercises to a chiropractic assistant, provided an order has been given by the chiropractic physician. Under no circumstances may a chiropractic assistant implement, teach or oversee a patient relative to exercises without a prescription provided by the treating chiropractic physician.”

Adopted this 16th day of July, 2020, by the Louisiana Board of Chiropractic Examiners.
